

# Bicycle Advisory Committee Resolution

**To:** Minneapolis City Council, Minneapolis Public Works,  
Hennepin County Public Works

**From:** Minneapolis Bicycle Advisory Committee

**Date:** March 23, 2023

**Subject:** Franklin Avenue Reconstruction

The Minneapolis Bicycle Advisory Committee is excited to see the safety and infrastructure improvements being planned for the Franklin Avenue reconstruction project. We ask staff to ensure that, for safety and usability reasons, there is continuity in bikeway features throughout the corridor, using the recently reconstructed section of West Franklin Avenue between Hennepin and Lyndale Avenues as a model. The BAC requests that any new bicycle facilities be protected, off-street facilities that are separated from pedestrian walkways.
